“ I'm sorry for this late condolence, but I just found out this morning about Guido's passing. I worked for Plouto and with Guido for 4 years way back in the early 80's and I still fondly remember Guido and Orlando. While Orlando was extremely quiet and we rarely spoke, Guido would come in the office and talk with me. He had such a kind heart and a quiet thoughtful soul. I remember how lovingly he took care of Max. Although I have not seen the twins in almost 40 years, I remember them fondly and Guido holds a special place in my heart.

*Please accept my long overdue sympathy on the passing of your brothers. May God grant yo all peace.*
