While studying at Roberts he met Cathryn (Crouch) Lewis, his loving wife of 60 years. They were married on December 14, 1957. They had 5 children. Harry was a science teacher. He started his career in the Honeoye School district but spent the majority of his career in the Churchville Chili School District where he taught for 35 years. He enjoyed taking his students on field trips to Mt. Tone and Ashoken and making science come alive for them. He was an integral part of starting the Sprucewood Nature Center in Churchville, NY which has an outdoor classroom for students to enjoy. He also spent time as an adjunct professor at Roberts Wesleyan College later in his career. He spent his summers painting houses, playing softball, gardening and watching the New York Yankees play ball on TV. He enjoyed spending his free time with family in Long Island and many summer camping trips to Wells, NY. One of the things Harry held dear to his heart were his few trips to Hawaii. Harry was happiest when he was holding or spending time with one of his many grandchildren or great grandchildren. “ Dear Cathryn, and family,
Harry taught both my sons, Dave and Dan Guild at CC. Beloved by both. When he painted our house, he took a special interest in our Dan because he was about to enter his class. He was a kind, honest, decent man, who loved kids. May God bless all of you, and thank you for sharing him with us!!!
With Sympathy,
Pete and Bobbi Guild
