“Helen was a beautiful woman inside and out. Our Mom treasured their friendship and appreciated Helen's phone calls and funny cards when she was no longer able to get out and about.

When I think of Mrs. Pearson I can see her smile, hear her laugh, and recall her ability to put things into perspective over a cup of tea. We had so much fun with the Pearson family at those "Club" picnics. When "Club" happened to be at our house, we could hear a low voice (telling a story or a joke) followed by riotous laughter and "Oh Helen." Those ladies such good times together. Your Mom and Dad were such wonderful friends to our parents.

My brothers and I send our deepest condolences to Barb, Rob, Doug, Chris and their families. You are all in our thoughts and prayers.

With deepest sympathy,  
Dora (Sherwood) Hanselman

“ We lived next-door to Mr. & Mrs. Pearson when I was 2 in 1950 on Post Avenue! They were super neighbors and helped my mom and dad take care of us when we were young.

*I reconnected with Mrs. Pearson when she moved to St. John's as my mom was living there too. It was a great reunion...Helen was a real lady...*

*Our prayers and thoughts are with the family.*

*Sincerely,*

“ *It was with profound sadness that we learned Helen had passed away. She was my role model for growing older with a snarky attitude and great sense of humor. We shared many laughs while on Altar Guild at Atonement and any time we got together it turned into a laugh fest. She and Har were the epitome of the term "Salt of the Earth" and we will always remember the laughs we shared whether at church or over something we had Har working on for our home in Pittsford. I still have the huge tin cookie cutter Har made which is hanging on a wall in our home here in Virginia and think of the two of them whenever I glance at it.*

*I cannot imagine the hole Helen's death will make in the hearts of her beloved children, grand and great grandchildren, but how fortunate they all were to have known such a remarkable woman.*

*With our very deepest sympathy,*

*Bill and Peggy Clutz*
