“ I was lucky to have an Aunt as wonderful and loving as Aunt Helen. I will treasure all the memories of growing up and spending time at her house. Helen was an amazing cook and her baking was to die for. She was always looking out for her family and friends. Helen was blessed to enjoy her last few years with David and Chris. She would tell me how guilty she felt because they spoiled her so much! I will miss our phone calls very much. My condolences to her family and friends. May Helen enjoy everlasting peace. Heaven has gained another angel. Bobbi
