“ Hi Mary and Little Howard, so sorry to hear about your loss. Howard was such a gentle giant and my memories of him always bring a smile to my face. I'm so happy that he decided to do some traveling the past few years!

My thoughts and prayers are with you.

“ One of the good guys, suddenly gone. From our travels with him, we found Howard to be a companion, a gentleman, a wit, a listener, a rock. He leaves a hole in the hearts of all of us who knew him. No matter how you manage to move forward, know that you have many friends and family who are mourning with you, glad to support you in any way, whether it's lunch, a shared glass of wine, or a shoulder to cry on. Love you, Elaie and Bill

“ I’m so sorry to hear of Howard’s passing, my condolences to the family. I only met Howard later in life and never knew him well, but I would have liked to. I always found Howard to be a fine person and very much a gentleman. I’m sure he will be greatly missed by those closest to him.
