“ Dear Ines and Family,
As a fellow member of the Batavia High School Class of 1965 with Jack, I am saddened to read of his passing. Jack and I go way back to John Kennedy Elementary School together, so I was pleased to have a chance to talk with him at our 50th class reunion in 2015. Other classmates are posting great memories of Jack on our class website. He was a good guy before you knew him, and he surely continued to be as husband, father, and grandfather.
I wish you all peace,
Jane Pixley Gerace

“ Please accept my deepest sympathy on the loss of your husband, father (and grandfather). No matter how old we are, losing a parent hurts. I have personally found comfort in the words at Acts 24:15 where it tells us, "There is going to be a resurrection", and that soon God will "wipe out every tear" from our eyes. (Rev. 21:4) I'm also looking forward to seeing the fulfillment of Psalm 92:14, "Even in old age they will still be thriving; They will remain vigorous and fresh". You have my sincere condolences while we patiently wait for that day.
