“ Dad,

It's been over a year since you left us. I think about you every day. I am forever grateful that you are my Dad. You taught me so much and I miss you terribly. I know we'll see each other again, but until then, I am trying so hard to get through this. I love you.

“ Truly there was no kinder and gentlemen than Jack. He taught our boys so much about sports along with their dad. He always encouraged them to do their best and encouraged them when they didn't do well. He lived Super Bowl parties at our house and going to parades with us. He was an amazing friend to my husband David, but more like a brother that neither of them ever had! He left us with so many memories and will be missed. Rest easy my friend as you and Dave are up to your shenanigans!!
