“ *We were so looking forward to hosting Jack and Linda at our place again this summer. Our alpacas will surely miss him, too. Jack made the best BBQ sauce! Every time I use some, I'll think of him, his big grin, big heart and loving friendship.*

“ *Dear Linda,
I was so sad to receive your message. We had so many happy times together. Even though we didn't see each other much, you two have always been very special to me.*

I hope Doug and Jack are having a beer up there.

Sending all my love and prayers,

Ro
