“ Dear All,
Very saddened to hear of the death of Jim, He was a wonderful man, who loved his family and his profession. He was a great board member of RDC- responsible for much of their success. My wife Lucia and I have fond memories of he and your mom on several trips (she with her camera always at hand) and were lucky enough to spend some time with Katie in Marco Island where she was the toast of the party. Jim will be missed by many including my staff at Mead Square Pharmacy.

“ On behalf of myself and the entire SPX Seasoned People Group, I would like to offer my deepest sympathy to Jim's family upon his passing. He was one of the major supporters of this group as well as the entire parish community family for many, many years. He will be sorely missed by us all. He was an example to us all all of a truly good man, and I am blessed to have known him as a friend.

“ My prayers and sympathy go to you all. Jim is not gone, we all carry him in our hearts and the memories bring a smile and a tear for him, the smile from the memories I have of he and our adopted goose from St Pius X church that we nursed back to health, the tear is from loss of his laughter, smile, humor and face. He will be carried in our hearts forever Gods speed my friend.

“ Condolences to the Spi;llan family, Jim & I were roommates in the attic on Hudson Avenue when we went to Albany College of Pharmacy in 1952. We had dinners together at Mrs. O'Grady's boarding house, played basketball together; & Traveled to Schenectady to play on the Union Baseball team. Jim was a fine man, honest & of good character. He put himself through college by setting bowling pins every night til 11PM. At Christmas time he would go back to Elmira & deliver for the post office & summers worked on construction. A fine role model for anyone. I spoke with Jim many times in the past year. We talked about the fine times we had together. I will miss him however will not forget Jim.

“ Heaven has gained an angel for sure!

*I remember as a little girl I would go in to his pharmacy at Westside Medical Building and he would greet me with a comforting smile and a big hello. He would always let me leave with a piece of candy (the real reason I would go in). I was blessed to grow up surrounded by caring, trustworthy adults who looked out for you like he did. I know my late father, Steve Buckley, MD had a great deal of respect for him and was lucky to call him a friend. I will miss seeing him at SPX mass on Sundays. Our deepest condolences to the family.
With sympathy, Liz (Buckley) Howse and Family.*
