My cousin Jim has always been there for me from helping me empty my fathers house after he passed or simply let's go to lunch Cuz. I will never forget we went to lunch & I went to hug & kiss him goodbye & I had to jump back up on step to reach him & we both laughed. We both lost our sons a month apart & Jim, Carol & I are there for each other. I will miss him but know he will still be watching over us because that's just Jim.

“ I really enjoyed being a part of Jim’s life. Jim was a character one of a kind. Jim would share a “Thing of it is Story”, that was logical, humorous and Was carried on. Jim will be remembered as happy memories we shared Thank you Jim for being such a swell man.
