“ Mom, Thank you for always being there when we needed you, just to talk, laugh or to babysit the kids way back when. You were a boy mom and I was the first daughter to come into your life back in 1982! You were always so kind, compassionate and a second mom to me! We had many laughs, tears and fun times and I will cherish them always. We may not have seen much of each other since the divorce but I always called you mom when I spoke of you or too you, and you always will be! You were a great mom, friend, wife and grandmother and you will be sorely missed! May you be flying with the angels and watching over all of your family! They will be fine but will miss you terribly! Now you can be out of pain, discomfort and just dig in the dirt and plant your plants like you did on Cinque Court! Love you

“ Mom, I just want to say you were the best mother in-law I could have ever prayed for. You were there for me when I moved away from my family to LongIsland. You not only became my family but a friend as well.. I can't thank you enough for all your love and support you gave me over the years. Enjoy walking with the angels, until we meet again. Love you. Helen

*Mom,
Your Love for me will keep me going forever
When I was down you would bring me up. When I was sad you
mad me laugh , and when I fell down you tripped over me 🤪🤪
We got Dad covered and he will keep your house clean!
Enjoy feeling better now
I love you Mom!
Love your favorite son
Mickey 😊🥰*
