“ Jayne was a huge part of my childhood while I was a Girl Scout over 50 years ago! She was so upbeat, and so much fun! Scouting opened my eyes to so many wonderful things...nature, art, crafts, and learning about things that I never would have been exposed to without her. So very grateful she was a part of my life. I've carried love and gratitude for her all these many years. I'm a better person for her being in my life. Blessings to her family.

“ Jayne was my Girl Scout leader 50 years ago and I often wondered what had become of her. She made girls scouting fun and very memorable. We had many camping trips with her and Jimmy. I later became a Girl Scout leader for my daughters troop for many years , And I'm sure it was based on the good memories I had due to Jane. My sympathy goes to you and your family, and may you remember how she made other people happy throughout her lifetime, and hopefully we continue that attribute God bless you all !
