“ *To Bob, Mike and Jim: My heartfelt sympathy to you and your families. I remember your Mom as a caring and loving person. Bob you may or may not remember when we were very young and sometimes your parents would take you to the drive in. I always remember a few times they would stop and pick me up to go with you.*

*I think because we are the same age we always got along so well. It was your Mom's suggestion, and I always appreciated her love and kindness to me at a time when my brothers and I had lost our Dad. She seemed to go out of her way to make sure I enjoyed the times we had together. And I always did.*

*My love and prayers go out to you all.*
