“ I am so sorry for your loss. I knew Jeanne from when I began working at The Democrat and Chronicle. She had a great sense of humor and helped me adjust to the Rochester area as a newcomer. I remember her telling me that she enjoyed working with children as a clown.

“ Oh my dear, sweet friend. I will miss sitting around with “adult”
beverages and chatting about everything. She was a great ear to
confide in and to laugh with throughout the years. I'll miss our
restaurant visits and our birthday celebrations. I will miss everything
about her. It will be hard to look across the street and not imagine
her there. The world will be a more boring and less happy place
without Jeanne in it.

“ Jeanne was my dearest and one of my closest friends! We always
were in contact even when I moved away for 23 years! She was
instrumental in me moving back to Rochester along with my family!
We were in a book club together recently where Jeanne would love
to host! I will miss my dear friend, her wit , her friendship and love!
