“ *The most amazing person, friend, girlfriend, sister and mother. I will never forget you or your light. The times you would come over and play LEGO Batman with the boys, or dice with David-your boy. Your heart was and will always be pure. My heart and prayers go out to Angel, Chris, and all the rest of your family. Take care of my boy up there. Until we meet again. ❤️*

“ *My deepest sympathies and condolences go out to all who loved Jill and had the amazing opportunity to be loved by her. She could light up a room by walking into it with how deeply she cared. She made everyone she met feel special. I truly believe that if we were all more like Jill, this world would be a much better place.*
