“ *My sympathy to Joanne's family. I just talked to Joanne re Norma Reidman's*

My heartfelt sympathy to Joanne's family. I had just talked to your Mom about Norma Riedman's sudden death. We all new each other for 70 years and had formed a sorority in high school (I still have my pin). Joanne was my Maid of Honor when Gerry and I were married in 1957. I have great memories of fun times and I hope you all do also. God Bless.

“ *I am sorry for your loss. I worked with Joanne at RIT. She was a nice person and made delicious candy she often brought in. I saw her approx 6 months ago, at 86 still driving and independent, she was fortunate.*
