“ *I was shocked to hear of Johns passing. John and I would see each other a few times a week when Patti and Karly would play soccer together. We would pick a spot near the field and discuss the game and just have life conversations. John was always a joy to be around.*

“ *Mr.Allen has been my neighbor ever since I was born. He was a wonderful man who worked with my brothers and I during elementary school doing PT for us. Had had an awesome sense of humor and a good heart. I remember if joking with me and sometimes I wasn't sure if he was serious or not but then I knew he was kidding when he would grin he pushed me when I needed it and didn't want to and I was so glad to have had him as my physical therapist and neighbor. Rest in peace Mr. Allen I will miss seeing you walk around the neighborhood and miss your witty jokes.*

“ *I remember John as one of the best PT's Stacy Vanherreweghe ever had. She always gave him a run for his money but made her work and achieve what people thought she couldn't. I remember the year my niece got married and John was part of her team and worked with Stacy to learn to take steps with assistance to walk down the aisle as the flower girl in that wedding. Thanks for believing John and hopefully she's running circles around you now in heaven. Prayers to your family*

“ *Dear John: I haven't seen you since you were a teenager but were often in my thoughts. You left this world too soon and will be missed by many. I'm guessing you are now reunited with family gone before you. God Bless. Love and prayers. Aunt Betty Jane*
