“Chevy Chase experience in the Rear Jump Seat of John and Ann’s Station Wagon. Many trips were taken in the station wagon. John, Ann, Tom, Nancy, Ken and Irene Ayott. John (father figure) would intervene over the dispute between Kenny and Nancy as to who would sit in the jump seat. It was a run and whoever arrived first claimed the jump seat. Many times it was a tie, and John would say kids settle this nicely. Kenny and Nancy would shove to gain access to the seat. Anytime we were all together, never had to ask who wants the jump seat it was well known. Good laugh as the two struggled to gain access. Nancy and Tom Linn

“John and Tom, Last of the Mohicans floating in the canoe at Lakewood Ranch Pond. While visiting John and Ann, John and I went for a canoe ride on the pond. While paddling suddenly appears an 8 foot gator 2 feet from the canoe. We decided to return to shore an end the canoe ride. Ann and Nancy were surprised To have us return so quickly. John states we decided not to have unexpected guest in the canoe. Tom Linn

“ *Beautiful Pontoon Boat Ride near Ocala, FL*
Captain John invited us to join him and Ann for a day on the
Rainbow River.
River reminds you of Old Florida. As you travel down the river,
You have to go under a very low bridge. That day, water was high.
Only
Way to go under was to bend over and stay as low as possible.
Captain
John lets us know we cleared the bridge and says hope all are ok
and we will
have to do this again when we return to the shore. We all laugh as
we looked
Like flatten pancakes going under the bridge.
Wonderful man who will be remembered and missed. Love Tom and
