“ *John Mason was the absolute epitome of a good man. He was a true family man and he always talked about Bev and his children. A great employee of Mixco for so many years, he garnered the name of the 'Marlboro Man' with his easy smile, cowboy boots and moustache. John made so many true friends along his path and I am blessed to say I was one of them. Thank you John for everything you have done for the Mixco family. You will truly be missed. My sincerest condolences to John's family.*

“ *We feel fortunate to have gotten to know both John and Beverly through Skeeter Onyan, and we have such fond memories of laughing together over dinners at the Cape. Mark especially enjoyed chatting with John when he brought Skeeter to the MixCo reunions each summer. John will be missed!*
