“ *My fondest memory of Joyce was when we first met at my daughter Laurie's Bridal Shower. She said, "We're family now" and gave me a warm hug. You all have been remembered in my daily prayers as I pray for Peter and his extended family. May God bless you all and grant you peace and acceptance as He calls her home. May He grant her eternal rest and happiness.

“ *Russ and family,*

We are so very sorry to hear of your mom's passing. It's been some time since we've seen her, but we remember her as a lovely and caring person. The times we spent in her company were always warm and happy moments. May you and your family find peace and comfort in this difficult time.

“ *We are so very sorry that we will not be able to attend Grandmother's service. She meant the world to me and I will always have cherished memories of ice cream sundaes at her home along, picnics at Letchworth Park and falling in love with the piano and roller skating. Her big smile would light up the entire room. Sending hugs to all our family.*
