“ My heart goes out you, my Delesky cousins. Your mom was a source of strength for my mom for many decades. We Dover Keenan always looked forward for visits from your family: trips to the Harbor beach, summer vacation on a NH pond, outings for ice cream, and, of course, the ritual meals at Newicks. Aunt Kathleen's smile and the sound of her laughter were like a warm hug to me. I am so sorry for your loss. Anne
