

## Keith E. Youngblood

September 2, 2025

Suddenly, September 2, 2025 at 46 years of age. Predeceased by father, Eugene Youngblood. Survived by daughters, Michaela and Mackenzie Youngblood; fiancée, Sarah Craig; mother, Dolores Contrino; siblings, Marie (Dominick) Cerasuolo, Michael (Carol) Youngblood, Doreen Youngblood and Kevin Youngblood; and several nieces, nephews, great-nieces and numerous family and friends.

Keith was a family man through and through. He supported his girls and quickly became their number one fan in all their sports and activities. He provided guidance and protection to make his daughters as strong as they are today. He was fortunate enough to meet his fiancé Sarah in 2017 after some persistence on Keith's part. Sarah fell in love with his charismatic, sensitive and loving soul which grew through their time together. They were to solidify their commitment and marry this month.

Keith graduated from Gates-Chili High School and went on to specialize in carpentry and lawn care, skills he took great pride in. He worked for the Town of Chili and most recently for the Town of Gates, where he was admired for his dedication, hard work and mentorship. Beyond his professional life, Keith enjoyed country concerts, softball, hockey, good friends, chicken wings, and the simple joy of sharing a laugh.

Keith will be remembered for his infectious laugh, his selflessness, his bear hugs, and his ability to light up a room. Those who knew him will always smile when remembering how he would never leave a Genny behind. He leaves

behind a legacy built on brotherhood, love, and generosity. He will be greatly missed by every life he touched.

Family and friends may call at the Leo M. Bean and Sons Funeral Home Tuesday 4-7pm. In lieu of flowers, memorials may be made to Golisano Children's Hospital.

“ *Keith was the greatest nephew an uncle could possibly have. We did so much together. From remodeling to boating, fishing, and can't tell you how  
Many pig roasts and sea food  
Boiles at the house. I can go on and on about the crazy things we did together. And don't let me forget his brother  
Mike who was there for it all.  
They are like my extra sons.  
I love you guys so much.  
My heart is shattered.  
You will be missed so much  
But never forgotten.we will one day be together again  
And continue where we left off.
