“ I have worked with Leesa most of my career and we have been good friends ever since. She is the dearest, most understanding friend anyone could ever ask for. Always willing to help or just listen when I needed someone to talk to. I will truly miss her and her beautiful smile. Prayers to Al, Brooke, Allison, Barb and the rest of the family

“ Dear Barb, Brooke and family,
Leesa was honestly the most beautiful person inside and out that I have ever known. I have loved Leesa as far back as I can remember. Living next-door to the Rauber's was a blessing to my childhood. Our families loved each other and always enjoyed each other's company. Leesa never had an unkind word to say about anything. She always looked at the good side of whatever situation she was in. I have been blessed to have Leesa in my heart and I miss her.

“ I had worked with Leesa most of my career. She was the kindest, most amazing person I had the opportunity to work with. We never met live (I am in NJ) but she will definitely be missed.
