“ No one could ask for a better mentor and L as a young man coming out of college. I was fortunate to be led by Lenny as a Young Man in the beverage industry. Guided me alone in character, integrity and honesty. I thought of Lenny a lot as I continued into my careers and still think of how Lenny would have handled certain situations. God bless the Korn family

“ *Growing up next to the Korn family was filled with fun and laughter. Mr. Korn always had a quirky smile and we had so much fun swimming in the pool, eating snacks and drinking pop, making ceramics and wondering in awe at the central vacuum system [and a/c]! In the winter I remember we had so much snow we built igloo tunnels between our fences.*

Thank you Mr. and Mrs. Korn for sharing your home with us. You will be missed and thought of with fond memories, Mr. Korn.

*All my love, thoughts and prayers are with the Korn family.

“ I will always remember Len with great appreciation. His outgoing friendliness, positive attitude, natural generosity, ready smile, strong values, and abiding faith were a wonderful example to me and to so many others. Our lives are all richer for having known him. We know that his spirit will live on in the hearts and lives of his family and friends, as well as in the company of the angels.

With love,

“ Lenny was like a 4th brother to me. I worked with him and worked for him. I couldn't have asked for a better friend. Knowing him for over 50 years was a blessing and a privilege. There isn't enough room to describe the memories I have of him and Sylvia. I cried a lot yesterday when it hit me I wouldn't see him again. Thank you for your love and kindness to my family. Having you and Sylvia as Godparents to my girls was truly a blessing from God. Rest in peace my friend, I will miss you. - Bob
