“ *Mr. Moore was my wonderful Social Studies teacher almost 30 years ago, yet my best memories of him are when he'd come into the local restaurant that I worked at. We had the best "real life" conversations!!! He was a wise man who listened, and whose words and advice were genuine! I have thought of him often over the years and will always remember him! My prayers are with his family.*

“ *My condolences to the family. "Mr. Moore" was a wonderful person and teacher. I had him for sociology at CCCS and my husband worked with him for a while in real estate.*
