“ Dear Michael,  
We are so sorry that we could not be with you in person today.  
  
To have had a friend like Linda in my life is such an outstanding highlight. The day we met at Genesee Hospital I knew I found someone I would always look up to and admire, and was so delighted as we became fast and lifelong friends. I've missed her so in recent years, and you, too, my friend.

*When we learned of her passing, Tom & I recalled many good times together, whether over cocktails & dinner in serious discussion or through visits that spanned hours of laughter and lighthearted fun. Please know you and your family are in our prayers. May she be at peace, and you, at rest. Fondly, Carol & Tom*
