Lori was a dedicated employee of Suburban Disposal for 26 years. Lori worked as the office manager, always having her door open, and holding many hats over the years. She loved a challenge and was up for anything that walked in her door. She was a avid reader known to finish entire books in one day. Lori was a loving mother and grandmother, known to them as me-mom and wildcat, spending a lot of her free time dancing, singing, and spoiling her children and grandchildren. Lori was a loving wife to her husband Joe for 34 years, with many years of fun together prior. Lori was a kind soul known to help anyone in need and will be dearly missed by all.

The Pelitera family would like to thank all who have visited and cared for Lori during the last several months.

In lieu of flowers, you can make a donation to the charity of your choice in honor of Lori. Per Lori's wishes, there will be no funeral or calling hours."

“ Joey, Lisa and family, sincerest condolences on your loss. Lori always had the best smile that would light up her eyes as bright as her spirit would fill a room. Though she will be deeply missed, it is good to know she is at peace now and reunited with loved ones that have gone on before her. May you all find the comfort, strength, help and healing you need, as well as all those who's lives Lori touched and made special just by knowing her. And may you hold all the memories you created together close at heart. Will be keeping all of you in our thoughts and prayers.
