“ I will always remember when we saw Uncle Lou for Christmas he always came with loads and loads of Christmas presents which took several trips to get everything in plus all the bake pies and whatever else he baked. At Thanksgiving he brought several different kinds of pies so everyone had their favorite pie!! Uncle Lou was the most generous loving person in the world. Uncle Lou loved the family picnic to watch all the family getting together. Uncle Lou loved to cook and travel back in the day and loved talking about his trips. I will cherish all the memories I have of Uncle Lou and always treasure going to visit him, our weekly update phone calls, and going out to lunch with him which he loved as much as Pat and I did!! R.I.P Uncle Lou and have a party with all your loved ones in heaven!!
