Louis (Lou) J. Muratore

Rochester/Jupiter, FL - It is with our deepest sorrow that we inform you that Lou peacefully went to be with the Lord on September 6, 2021 at the age of 81. Lou is survived by his loving and devoted wife of 38 years, Margaret (Izzo) Muratore and loyal step-daughter, Jacqueline (Jackie) DeSantis; nephews, Joseph (Pam) Petrillo and Michael (Priscilla) Petrillo; aunts, nieces, nephews, cousins, loving family and treasured, lifelong friendships from Rochester, NY and Jupiter, FL. Predeceased by his parents, Giuseppe and Angelina (DiMaggio) Muratore, sister, Theresa (Michael) Petrillo.

Lou began his real estate career at Foxhall Real Estate in the 1970's where he worked for his uncle Angelo DiMaggio. He went on to work for Nothnagle Gallery of Homes from 1973-1994. He became a Sales Manager for Perna Homes, became Manager, Associate Broker of the Henrietta office (2920 E. Henrietta Road) from 1982-1993. Lou designed and oversaw the building of the Henrietta Real Estate Office and Training Center where the grand opening event happened in 1985. In 1978, he designed the black onyx and diamond gold ring for the yearly Top 10 sales agents at Nothnagle Gallery of Homes. Lastly, Lou won several sales awards and trained many successful real estate agents throughout his whole career.

Upon retirement from real estate, Lou moved to Jupiter, FL with his wife, Margaret at the impressive age of 53. Both Lou and Margaret have been Oceancrest residents since 1983. With Lou's persuasion and guidance, his

step-daughter, Jackie followed in his footsteps and became a successful real estate agent in Palm Beach County, Florida.

Lou was a true patriot who loved his country and proudly served in the United States Air Force. He loved history and could tell you anything you wanted or needed to know about what was going on in the political world. He will forever be remembered as a great storyteller as his animated capabilities would capture your attention to every detail.

In addition to the love of his life, Margaret, his passion was golf. On November 9, 2001, he aced hole #10 at Lone Pine Golf Course, playing 140 yards with his 5 wood. His Hole-in One was witnessed by one of his best friends, Larry Miele.

Lou left an impact on every person he met, even strangers (who didn't stay strangers very long because he was so friendly). The love Lou spread on this Earth continues to grow and will live on, and that is the ultimate measure of any human being.

Lou will be deeply missed by all who knew and loved him.

Family and Friends are welcome to Lou's Committal Service located at Holy Sepulchre Cemetery (meet at Dewey Ave entrance gate) on Friday, September 17, 2021, at 11:30am. A Memorial Mass at St. Pius X Church followed by a Celebration of Life will be announced in the Spring of 2022. In lieu of flowers, the family is requesting that a donation be made in Lou's name to the Wounded Warrior Project, www.woundedwarriorproject.org.

“ When I heard the news about Louie it was one of my saddest days... my best friend passing away.

Louie was my life long friend from the 1st grade. We went through grammar school then high school together.

I have so many memories of Louie.

We played many different games growing up; marbles, King of the Hill, cards for pennies, pitching pennies and once a year a picnic to Gensese Valley. Louie was with me the night I met my wife Dolores and let me borrow his car to take her home, was one of my groomsmen, baptized my youngest daughter Brenda- a true “Godfather”. I stood up in his wedding for Margaret, many trips to Florida, celebrating holidays.

Louie always knew everything about everything...whether about golf, politics and the stock market.

Funniest memories:

Louie would come and throw pebbles at our bedroom window late at night so he could come in and talk to us and have a night cap.

Once while chartering a boat to go deep sea fishing “Dr. Louie” wanted everyone to take dramamine so we wouldn’t get sea sick so we all took it and by the time we got out of the Jupiter Inlet everyone was dosing off.

“ Larry Miele-

I first meet Louie 25 years ago, at Ocean Crest Pool in Jupiter, Florida. We found we had a lot in common especially our Italian heritage. Louie started talking about his friends from Rochester and I talked about my friends from Rhode Island. We both liked golf and became golf buddies. Louie and I cultivated a great friendship and I am proud to have called him my best friend. My fondest memories revolved around food because we love good food! After a long day of golfing, Jersey Mike's was one of our staple places to eat at. It think it reminded us of our childhood of eating subs which we called "grinders!" Over the years we shared so many good times and laughs in which I will cherish. I will miss Louie so much, we were like brothers. We would do anything for one another. He was truly my best friend. I will always remember him and love him. Until we meet on the greens in heaven one day! My deepest condolences to Margarete, to his family and friends.

“ *Louie and I go way back. Remembering the good times with the rides to the Holy Cross foot ball games in the van. Once Louie took us to a nice Italian Restaurant in the Triple Cities (I know John and Phil remember it) and we had what you would call a feast. The owner kept bringing us out all kinds of Italian food for about 2 hrs. Louie was a true salesman and manager. He said he could take the Henrietta office and make it #1 and he did. I miss you Louie, we'll meet again.*
