“ Grandpa -
You will always be remembered for "your famous claw" playing;
your never ending McDonald's coffee cup and you will always hold the trophy for
the cleanest garage with the polish air conditioner (a box fan bungie corded to the
garage rafters).
Will be loved and missed dearly.

“ Greg, you took great care watching over your parents in their final years. They
are both at peace together now and you and Sandy can be sure that your efforts
were a comfort to them whether they recognized you or not, at the end.

“ Love this picture of you dad. Its how I remember you - not these last years of hell.
Rest in peace - my sorrow will lessen but love you eternally. xxoo
