“ Doreen and Barbara, I am sending hugs and sympathy for the loss of your mom. Although I haven't seen her in years I had a nice conversation with her on the phone following my mom's death in 2020. I know my dad enjoyed playing bridge with her at the senior center in Chili. And so many memories from the old neighborhood. Hope you and your families are well. I would have come to see you if services were easier during these times. Please accept a virtual hug and smile to honor your mom.
