“ To Marie's family - I worked with Marie at Rutgers. She was Dr. Ray Kriner's secretary and I shared that office space with her as Dr. Don Prostak's secretary. I knew Richie Grosser and the rest of the "print shop gang" as well. They were all such a special group of people. Like your Mom, all down to earth and hard working. Your Mom was amazing to have raised such a great family in that small apartment in Franklin Greens. She was very proud of all of you. She was a special person and I have the fondest memories of her. Please accept my deepest condolences.

“ Marie was my mother's lifelong friend. I called Marie to share the news of my mother's passing in January 2021.. it was so great to talk with her that day and the last time we communicated was this past Easter. I came to love her so much. Her faith in God was unshakable. She was such an inspiration. Something told me to look at the obituaries. It must have been Marie. My deepest sympathies to the family.
