“ So sorry to all of the Walsh children especially Patty (Trish to a lot of you). The Walsh home on Sunnyside Lane was my second home all during high school. I'll always remember Marie's little smirk. Please let me know when her service is.

“ Condolences to the Walsh family for the loss of one of the all time greats. Aunt Marie was a great friend to our mom for so many years and always fun to be around. I always looked forward to the overnight stays in Charlotte when she and Uncle Bobby were on the move. They always brought a smile to mom, and I can still hear them laughing in the kitchen, late into the night... She will be missed by many nieces and nephews.
