“ Marion was such a beautiful person. Conversations with her will be sadly missed. Get togethers at Verna's will be different without Marion's presence. God be with all her family and Verna too with Marion's passing. Larry and Madeline Woodruff (Verna's brother and sister-in-law).

“ Tim, Tom, Jim, and Greg  
Beth and I were on vacation in NH and ME and just arrived back. I called my mom tonight and found out that your mother passed away. I am sorry for your loss. I have many fond memories of our families getting together and having fun. Your mom and dad were both wonderful people and great role models.

“ I am blessed to have had my sister Marion in my life. She was a model wife, mother, sister, friend. Catholic. Successfully raised 4 "active" ♦ sons (And survived). Dedicated caregiver for Bob. Stayed true to her religious beliefs. Full of fun. Myriad loving friends. Caring. sensitive to needs of less fortunate and always wanting to help. Loved life. - -swimming, walking., shopping driving . Never met a stranger she did not like and with whom she could converse.

*May she Rest In Peace and enjoy eternity for a life well lived. I will cry a while for her passing but rejoice in her salvation and the privilege of having my sister Marion in my life. I love you Marion and plan to be with you in the not too distant future!*

“ Jim, Greg, Tim, Tom, I am saddened to hear of your mother's passing. She was always sweet, interesting, and fun on the too rare occasions that I saw her. Know that she lived a good life and help raise some fine men.

“ I was so surprised to learn of Marion's passing. I've known her for almost twenty years. I never heard her complain, or be negative. She was a kind and gentle person. The world hungers for more people like Marion. Her family was so fortunate. I'm very sorry for your loss.

“ There are no words to describe how beautiful your mom/gram is to all of us, she spent her life making others happy. We were just together Sunday and we talked on Monday, can't know the sadness and pain you must be feeling. Marion always lit up a room with her smile. Thinking of all of you, you're all in my prayers! Judy.
