“ Mark taught me how to be in the here and now..Sunday mornings was about *The Golden Girls*...I met Nather before my son was born..
Mark was the 1st to visit,and didn't care that I had stitches.

“ So very sorry to hear of Mark's passing. We moved in two houses down from him when I was 7, he was a wonderful friend all the way from grammar school through high school. Like many we lost touch for a while as adults but had been keeping tabs through Facebook the last few years. I will miss his generous heart, quick wit, and beautiful spirit. RIP my friend.

“ For as many physical & emotional struggles as he faced over many years, my long-time friend, Mark, remained philosophical about his life. He was engaging in conversation and scathingly humorous with a huge personality. I cannot believe I won't hear "Sweetie-darling..." anymore. I cared deeply for him and miss him already.

“ So sorry to learn of Mark's passing. He was a great guy. We met in 4th grade, then lost track and connected on FB. Was looking forward to seeing him at our class reunion next month.

“ This dear man, another in our Wilelen Rd family. His visit to Aunt Therese meant so much to her... she told me about it with smiling eyes. And I remember he visited my Mom (Shirley Atwell) often when she was sick... always cheering everyone up, always making a difference. Thank you, Mark.... rest in peace.
