November 15, 1952 - April 11, 2026

Marshall Mutnick

11/15/1952 – 4/11/2026

Son of Harry and Esther Mutnick. Survived by his partner of 52 years, Linda Downes; son, Mamat Kounnavong; brother-in-law, Robert (Ellen) Downes; sister-in-law, Jayne (Richard Jones), who he dearly loved and could count on for anything; niece, Kellie Downes (Gregg Wicker) and their much loved son and partner in the Hanukkah candle lighting, Graham Wicker; sisters, Jaclyn Richard (Nelson Lopatin), Paulette (Barry) Fuchs and Lauren Falk; much loved nieces and nephews, Ana, Ali, Jacob, Matthew, Ethan and Jenna; several great-nieces and nephews; an incredible community of cousins, that he loved so much; many longtime, devoted friends, that were so kind during his struggle; and especially his beloved Laotian family, and their families, Kethanome and Vatsana and their dearly departed brother.

With a heavy heart I want to let my family & friends know of the passing of my partner of 52 years, Marshall Mutnick.

Marshall was a natural born athlete and he excelled at every sport he ever played.

Motocross racer, Tae Kwon do black belt, down hill skier, scratch golfer, fisherman, he never met a sport he didn't like.

He was blessed with his amazing Sephardic family, whom he loved.

He had many special friends. He loved to read the news every day and argue with his friends on Facebook about politics. He researched his facts. I will

miss my source of news and won't even be able to turn on the television. He struggled the last 6 years of his life. The terrible disease robbed him of every pleasure he had. I often said I wouldn't want to have lived in his head. Family and friends are invited to join us at the Irondequoit Country Club, 4045 East Avenue Rochester, NY 14618 on Thursday, April 16th from 4-7pm. Our families would love to see you. If so inclined to make a donation in Marshall's name, please consider Light of Israel, 1675 Monroe Ave. Rochester, NY 14618 or RGDA Foundation (that supports junior golf in Rochester) 22024 West Henrietta Rd. Suite 5H, Rochester, NY 14623.

RIP

In his honor, don't forget to accelerate in the turn. Point your skis down hill and keep your head down.

“ I met Marshall 25 plus years ago on a golf trip when he came to South Carolina. Through the years he would call or text just to check in. Last year when hurricane Helene hit the Carolinas, he reached out to check on me and family. Always a kind and caring guy. Marshall you will be missed. Your SC golfing buddy, David Hurst.
