“ Martha was a wonderful part of our lives when our children were young (they are now 32 and 28). We have many fond memories of their experiences at Tot Enrichment at the Arnett Y, and they were 2 of the many children she taught to swim. I think of her every Christmas when I put out decorations the girls made with her that are still beautiful and capture the spirit of the season. God bless you Martha - we miss you very much.

“ So very sorry to hear about your Mom's passing Glenn and Trish (your Grandma, Caitlynn and Brandon). Did not find out until Wednesday night. I would have been there for you in person. Please know that I am always there for you in the background and would do anything for you. I am sure she will be very missed by many! Just hold on to your many memories of all the good times you have had together. That way a part of her will always be with you forever! My love and thoughts are with you! Barb P.
