“ Mary Ann, Although it has been quite a while since I have seen you, I would think of you and wave every time I walked or rode my bike past your house. I remember your great sense of humor and sitting at your kitchen table with you and your mom. Going way back, I remember your dad’s famous Labor Day chicken bbq with you and your family the Giraulos, mand Don Lucas. You will now get to be together, again, with your mom, dad, and Paul. Rest peacefully, Mary Ann 🙏 Karen

“ Mary Ann you will be missed for many reasons but mostly for your sense of honest humor. Loved that you could look at any situation and blurted out the best assessment and the room would roar in laughter. God bless you.

To my dearest friend! I will miss you more then you will know. Now who is going to tell me what hallmark movies to watch or send me text messages every morning pumping me up for day!

Now you are at peace, with your mom and brother in law. Rest in peace my friend!

Mary Ann, I am going to miss you and your sarcastic wit. You always made me laugh. I have known you my whole life and have such wonderful memories of picnics with your dads famous chicken, swimming in your pool, trips to Canada where you planned my wedding at 5 years old to your cousin Mark. We always had a good time mocking out our moms. I will never forget you and I pray you rest in peace and I will see you again someday. Love always, Lori
