“ Dear Jimmy, Carmie, and Michael

*We are so sorry to hear of your loss. I have so many memories of Mary sitting at my mother's kitchen table and sharing stories. We used to share supermarket secrets. I remember coming to your house in Chili when we were little and having fun.*

*Jimmy would get your neighbor to take us on a Horse & Buggy ride around the neighborhood. Also Jimmy showed us how to send a rocket up with vinegar & baking soda. Your Mom made such great sauce, and we always thought of you as family. I have only good memories of all the times we spent. If our parents taught us anything, it was the value of "Good Friends". My Mother knew your Mom since they were young teenagers, and My Father knew your Dad from an early age when they rode horses at the riding stables. They and all that group knew the value of "Good Friendship" and never stopped seeing and connecting with each other. They were "True Friends" - a gift that is hard to find and keep.*

*I will always remember both your Parents with great great memories. I loved watching Carmie dance with her Dad at weddings! Mary & Carmen were such good dancers, and My Mom always talked about it. We wish you all the very Best.*

*Sincerely,*

*Ted & Joyce Madama*

“ Thank you so much for your kind words. I too remember many good times when our families were together. I still have some of your mom's recipes. She was a wonderful cook and baker. My mom always told me your mom was one of her guardian angels. All the best to you and yours.
