“ We (Kenda niece and husband Duane). Was so blessed to be able to visit Aunt Mary Ann a few times We held hands walking while out and about will never forget always ended up at the ice cream place every night Got to spend a lot of great memories times. Also get to spend some time with Raven We had a lot of phone calls which was long conversations each time but never regretted the time we had She will always be in our hearts Knowing she is out of pain and being with her family that is there. I am sure her brother Fred was waiting for her at the gates Our prayers go out to Aunt Mary family

“ Thought's and prayers are with all of you during this difficult time. Mom S. was like a 2nd mother to me, knew her for over 40 years Glad that she was a part of my life and I will treasure all of times that I got to spend with her and the family. She'll be greatly missed. May the angels and Jesus wrap their arms around her. RIP
Mary Margaret.
