“ We would like to extend our sympathies to the family of a truly great person. As a member of our club and seeing her each week, we shall miss her beautiful smile. Each time we saw her, she would bring the warmth and brightness of a midday summer sun into our hearts. She would always make our days special. She was an angel on earth and we believe that our God just wanted her to be an angel in Heaven. She was remarkable in every way and she will live in our memories forever. We loved her because of who she was. God Bless.
