“ *Uncle Pat,*

I'm sorry to hear about MaryEllens' passing. I always enjoyed my time with her. She was a very interesting person and knew so much about Susan B. Anthony's life. I enjoyed the family photos, it was a nice timeline of her life.

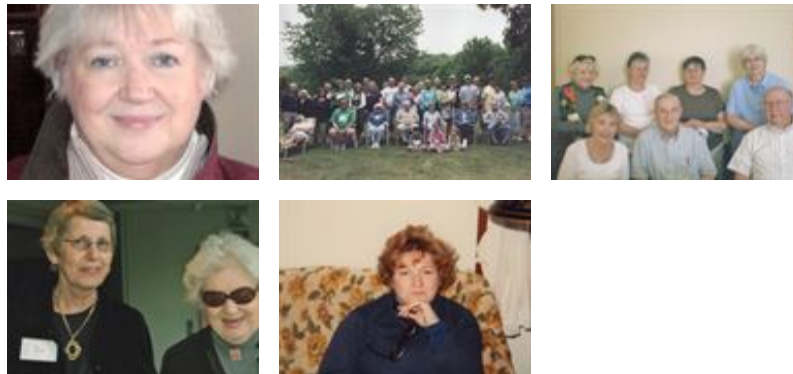

She'll be missed.

Mary Ellen was always the greatest go to person for information on Susan B. and the movement itself. She certainly had a passion about women's rights and so readily shared her information. If she didn't know an answer she was right on top of researching it. I will miss her smiling face and wonderful soul.

“ Mary Ellen has been part of my life since the 60's at Immaculate. We were a part of the same home church, the Kairos community and met in one another's homes for many years. (Our last gathering was in May.) She enriched my understanding of spiritual life.

Mary Ellen was so passionate about women's rights and did great work at the Susan B. Anthony House. I have several related buttons that M.E. Gave me over the years!

We had great fun, serving on the IACI board for several(many) years.

I will miss her spirit.
