“*Bev, Ron and family"💎-Oh so many wonderful memories of your mom! Whether it was her first time using a cell phone while riding in a car with me from Hilton Head trying to beat a Noreaster, sleeping on cots at mom's lake house, awaiting her arrival as a child for our birthday tootsie pops and "love taps"💎 she was so much fun and delighted in the simple pleasures of life. She was always ready for an adventure and a good card game. Her presence in the Westbrook children's lives will always be a cherished memory. Here's to you Mary"💎thanks for all the good times!*”

“*Dear Beverly and family, I am so sorry for your loss. You may not remember me, but my mother (Barbara Hinman) was a friend of your mother's since they both went to school in Albion, and later roommates at RBI. My family entertained your family frequently at our cottage at Troutberg. Since my mother passed, I have been driving your mother to Albion Cemetery to put flowers on the family graves there. I am glad that Mary is with your father, I called him Whitesy; and with her high school friends she always talked about. You chose the perfect picture of her!!*”
