A caring, loving, sensitive, sentimental and very religious sister. Worked as editor at the Democrat & Chronicle newspaper for 40 years. She loved playing golf and watching it on television. Loved traveling to scenic locations and to visit her sister, Terri. Loved watching cooking programs on tv. Loved music and playing violin well in her youth. Was an avid book reader and accumulated a library size selection of books of many topics.

She was an impeccably stylish dresser who was beautiful and very intelligent. She loved playing bingo at the Chili Senior Center, loved our Poodles, Heidi and Holli, and our neighbor's dog, Bailey.

Many thanks to the medical staff members at Unity Hospital for taking wonderful care of her in the last days of her life.

“ I have fond memories of my Aunt Ann and am grateful for knowing her and for the thoughtful birthday greetings and letters that we exchanged for many years. I know the last years of her life were challenging for her, so in this respect, I take comfort in knowing that she has transitioned to the life beyond. And, through her spiritual interest and practices in this life, I trust that she was ready for a good transition into the next. With gratitude and wishes for peace and love. Don Procopio
