“ To Diane and the entire family. I am so sorry to hear of Mike's passing. He was my first cousin and I remember all of the times the family got together when we were teenagers. Many great family meals and even a vacation or two spent together. I hadn't seen Mike in a number of years until about a year before my parents passed away in 2016. Mike was very kind to both of my parents and helped them out during their final weeks of their lives. I wanted you all to know that, especially his children. My father always liked Mike and enjoyed when he visited. My condolences to you all.
