“ *Paula and I would like to express our sincere sympathy for our good friend on his passing. We had many good times together with both Mike and Florence. Our children and his children grew up together and we have many fond memories of that time. We enjoyed all of our social gatherings both as neighbors and the time we spent at there home on the lake. We couldn't have asked for better friends. We thank Kathleen for all of the time she took care of Mike during his illness and we know he cherished there time together. Our prayers go out to Mike and his family and that his soul will rest in peace with the Lord.*
