*Michelle...how do I begin to tell you how much I was thinking about you and praying for you recently and I then I never ended up reaching out to you. I wanted tell you that you were such a huge part of my life and that you were my first true best friend. I loved you like a sister even when I left and moved to Argentina. I wished we could've more time together after I moved back. We only saw each other a few times but nothing had changed.
You were still beautiful, loving and funny! I'm heartbroken. But I will see you again one day my best friend...until then I will always love and remember you! Rosanna*
