“ As neighbors we will definitely miss Mike. The kindest, most thoughtful person we know. Always ready to offer not only his understanding but his hands to help fix or troubleshoot any problem. Always encouraging and wealth of knowledge and practicalities. I will miss our chats "at the mailbox" and discussions about everything under the sun. Blessings on you Mike and condolences to the Talevski family. John + Eileen Lampanaro

“ Mr. Mike was a one of a kind neighbor. We spent many hours in the summer talking over the fence, sitting on the porch and eating every berry, fruit and vegetable he could grow in his yard - because we needed to eat them before the birds did! I was looking forward to another summer of stories and time together. He will be missed very much.  
My family sends its deepest condolences to your whole family. -

“ Dear Luba, and family  
I am deeply sorry for your loss.  
Mike and I spent many hours in front of my house talking.  
We hunted and fished together  
Many times. I will certainly miss  
Those times. Mike was a great  
Guy . He will always have a place in my heart ❤️  
With sympathy

*Dear Luba and family, We only heard of Mike's passing. I will always remember talking with him the help he gave us when we were young. Going hunting with him. The many laughs we had. May God bless him.*
