“ *Morgy was one of my favorites at Cottage Grove. I could see why he had been fire chief in Chili. He was just good with people. If I tried to give him a hard time he came right back at me! He really livened up when Judy visited. As I think of my times with him a smile glows on my face,*

“ *Always a gentleman, he was a friend and a client. I always looked forward to seeing him on his annual visit to my office or an unexpected meeting during the year. Very sweet human!*
