“Nada was a dear friend and beloved TOPS Member who helped many and truly cared about everyone. I will miss her more than words can say. I am happy that she is with our Heavenly Father and totally pain free, but sad for all of us that will miss her so much. I have many great memories and will continue to hear her words of wisdom from past conversations. My deepest sympathy to her family for their loss. May God bless you all and bring you comfort, peace, and strength. Sending hugs.

“I know she is rejoicing in God's presence now, but it is tragic for us who remain. She was such an amazing woman with a passion for God's Holy Word. Nada poured God's Word into so many people especially children. Bible Quizzing tournaments will not be the same without her words of wisdom and passionate delivery of Truth. It is a honor to have known her.

“Hi Mrs. Rogers. I have never met you, but heard about you from your daughter Susan Squires and prayed for you. I just want to say THANK YOU for sending an excellent examples of how a Christian relationship would be from generation through generations. It makes me feel jealous to see how good of relationship that Susan has with you and your mom (Susan's grandma). It also give me hope that one day, I can have that with my children and grandchildren. Thank you for your daughter Susan. Hopefully one day we can all reunited and really meet with each other in heaven. :)

“ Nada was an amazing woman. I don't know where I would be in life had I not met her. She was a mentor to me in so many ways. She taught me to love the scriptures. Nada had the most beautiful smile - a reassuring and encouraging smile. What an honor, and blessing it was to have known her.

“ Nada lived out her faith in Christ through service to others, always putting the needs of others above her own. She loved her family. She loved life. She loved having fun and was always on the move. I am grateful for the ways she reached out to our family over the years. May God grant you His peace today and every day going forward. Love Janet
